

THE BRIEF

Communicating with an image. Part 1.

On location at The Stables, Ram Brewery, Ram Street, SW18.

Hopefully you will be inspired by the discussion with Richard Wentworth.

Your assignment for this week is quite simple – using either shutter speed priority or aperture priority – compose a selection of images which address the either category -

1. Open

Photographs can be on any subject, as long as they are taken in the borough of Wandsworth.

2. Snapshot

This year's theme is The Funny Side of Life. Photographs can be taken anywhere, on holiday or at home, as long as they relate to the theme.

Your choice to enter these in the competition is yours and certainly not a function of this assignment. What we will be observing is how well you communicate the message of either “Wandsworth” or “The Funny Side of Life”. We will have our own judging of the images next week in the form of a class critique.

Please post your images on Flickr or other image gallery for review next week.

NOTES:

Think through the elements necessary to make your image successful.

List at least 5 things and the importance of them to your photo.
