Join us in conversation with Richard Wentworth on Thursday 14 May from 6.30 for 7 – 8.30pm at The Stables, Ram Brewery, Ram Street, SW18. Onsite parking is available.

Renowned British artist, photographer and curator Richard Wentworth will present examples of his work and talk about his practise in support of this year's Wandsworth Photographic Competition - **photoWANDSWORTH09**.

Richard's long term photographic project Making Do and Getting By has documented the regeneration of another area of London, around Kings Cross. His fascination with the bizarre coincidences of urban life makes us look afresh at the cityspace and the humanity it contains.

Come and get inspired over a glass of wine and pick up an entry form!
